DIRECTIONS FOR REGISTRATION

General Information

All undergraduate and graduate students must register in accordance with the alphabetical time schedule and location listed above. Students may not pick up their materials at the Activities Building or Field House prior to the time assigned to them.

Admission to the Activities Building or Field House is by presentation of University of Maryland I.D. Cards. For newly admitted graduate students, presentation of graduate matriculation card is acceptable in lieu of an I.D. card. For newly admitted undergraduate students, presentation of the letter of admission is acceptable in lieu of an I.D. card.

All students who intend to register for a course offered by the University College should read the directions on page 17, section 3a, before reporting for registration.

Registration materials are identified by Social Security Number for students who registered on-campus beginning with the Spring Semester 1968. For students registered prior to, but not during, that semester a student number issued by the University will still be the identifying number. Conversion during the registration period is required. Forms to effect the change are available at the Registrar's station (49) in the Reckord Armory.

Procedure

1. Secure Registration Materials at Cole Activities Building or Preinkert Field House at Time Listed in Registration Schedule on Pages 3, 4 and 5.

   Note the following regulations:

   a. Registration materials are available for students in good academic

standing who attended the entire Spring 1968 Semester. After being admitted to the Activities Building or Field House, such a student must present his Social Security Number to receive his materials.

b. All newly admitted students to whom a Social Security Number has not been assigned must report to a specially designated location in the Activities Building or Field House for assignment of student number and preparation of registration materials. A graduate matriculation card, plastic transaction card, or undergraduate certificate of admission must be presented.

c. Undergraduates who are readmitted or reinstated for the Fall Semester must present the letter of readmission (or reinstatement) at the Activities Building. It should be noted that all undergraduates, including part-time and special students in any of the following categories; (1) not enrolled during the Spring Semester 1968; (2) academically dismissed at the close of the Spring Semester; or (3) enrolled but withdrew during the Spring Semester 1968; must secure certificates of readmission or reinstatement from the Office of Admissions prior to admission to the Activities Building.

d. Properly admitted Graduate Students who have not been enrolled since September 1, 1959 and all new graduate students must present their graduate matriculation for admission at the Preinkert Field House.

2. Report to your adviser and/or dean.
All students, except in Colleges listed below, report first to their advisers then to the office of the dean. Students in the following Colleges report as indicated:

College of Business and Public Administration—Room 123, BPA Building

School of Nursing—Room 3, Denton Hall
School of Pharmacy—Room 109, Francis Scott Key Building

After advisement, all copies of the student's course card must be signed by his dean. Any change on a course card, after it is signed by the dean, must be initialed by the dean or his representative. Courses approved for pass-fail by the student's dean and advisor must be appropriately marked (P-F) on all copies of the course card.

3. Prepare a tentative schedule of classes.
Undergraduate students fill out a tentative schedule, using the forms printed at the back of this booklet. A schedule must be arranged with either 11, 12 or 1 o'clock free for lunch period.

4. Report at the Armory to complete registration.

2. Changes in Registration Information

a. Drops and Adds

A change in registration (the dropping of or adding of a course or courses**) may be made by filling out an authorization for change in registration form in the office of the student's Dean. (See below for procedure to make a CHANGE IN SECTION only.) *Changes made on or before Friday, September 20,* need the approval of the student's adviser, the approval of the department offering the course, and the approval of the student's Dean. Students may drop and/or add courses for pass-fail but may not change the status of such a course (i.e. change from pass-fail to regular grade status or vice versa) after registration has been completed. Only in exceptional cases will a student be permitted to add a course after the first week of instruction. In the event such permission is given, the change in registration form must be approved by the student's adviser, the department offering the course, and the student's Dean.

** Students dropping all courses are considered to be withdrawing from the University for the semester and must follow procedures outlined in paragraph 4, below.

The last day that a course may be dropped is Friday, October 4. After that date, a student who drops a course will receive a mark of failure in the course.

No change in registration is official until it has been approved by the appropriate University officials and filed by the student in the office of the Registrar. After the first week of the semester, i.e., beginning September 23, a charge of $5.00 is made for each change in registration.

Credit cannot be obtained for courses for which the student is not officially registered in both the office of the student's Dean and the Registrar.

CHANGE IN SECTION: If a student wishes to change from one section of a course for which he is registered to another he must secure the approval of the department offering the course. To be official a copy of the change in section form must be filed by the student in the Office of the Registrar. No fee is charged for a section change.

b. Change in Curriculum

All changes in curriculum must be filed with the Registrar. The rules governing changes in college (see below) also apply to changes in curriculum with the following exception: a curriculum change must be approved only by the student's Dean, and in the event of a change after registration but before the end of the first week of the semester, only a duplicate "Permit to Register and Official Course Schedule" card must be approved. No new course card is required.

c. Change in College

To effect a change in college within the University a student must secure signatures of his present Dean and of the Dean of the college to which he wishes to transfer on the "Permit to Register and Official Course Schedule" card which is in the packet of registration materials. A change in college should be executed *before* the student reports at the Armory to complete registration.

No change in college is permitted other than at stated registration periods or during the first week of the semester. If a student must change colleges *after* completing registration but *before* the end of the first week of the semester, he should secure from the Office of the Registrar a duplicate "Permit to Register and Official Course Schedule" card on which he should secure the necessary signature. In this event, the student must also have a new course card signed by the Dean of his new college. The "Permit to Register and Official Course schedule" card must be filed with the Registrar no later than September 20.

d. Change in Name

A student who has officially changed his name since he was last registered must indicate his new name on the registration cards which are in the registration packet. No change of name can be filed

with the registrar *after* the student completes registration. Such a change must be noted at the time the student next registers at the University.

3. Off-Campus Registrations

a. University College Courses

Any student who wishes to enroll in a course offered by the University College in addition to his other course or courses must secure the approval of the dean of U.C. after his regular dean has approved his course card and before he completes registration at the Armory. A fee ($20.00 per credit hour for undergraduates; $30.00 per credit hour for Maryland Resident graduate students; $36.00 per credit hour for Non-Resident graduate students; $26.00 per credit for Maryland Teachers) for U.C. courses is normally charged in addition to the regular on-campus fees.

Any student who wishes to enroll *only* in a course or courses offered by the University College and not for courses on campus should *not* fill out the regular on-campus I.B.M. processed registration cards which are distributed at the Cole Activities Building and Field House. Such students should secure from their regular on-campus dean *written permission* to register for the course or courses. They then report to the office of the dean of U.C., file the written permission and fill out the special U.C. registration cards.

b. Baltimore Courses

Students must register through the Baltimore Office of the Registrar for all courses offered by the Schools and Colleges on the Baltimore Campus. Whenever a student carries courses both at Baltimore and at College Park, two registrations are required.

4. Withdrawals and Refunds

a. A student who wishes to withdraw from all courses for the current semester must secure an official withdrawal form from the office of his Dean, secure the necessary signatures, and file the form in the Office of the Registrar. If this is not done, the student will not be entitled to an honorable dismissal, will forfeit any refund to which he would otherwise be entitled, and will receive marks of failure in his courses. The withdrawal is complete only after the student (1) has returned all books to the Library; (2) (when appropriate) has returned his military uniform to the AFROTC Department; (3) (for all non-boarding students) has returned his identification card to the Director of Student Welfare; (4) (for all boarding students) has returned his identification card containing validation for dining hall privileges to the Auditor's Office, Administration Building; (5) (for students living in residence halls) has properly cleared his room and returned his room key; (6) has returned all other University property; (7) has filed his properly completed withdrawal form with the Office of the Registrar.

The effective date of withdrawal and the date used in computing refunds is the date the application for withdrawal is filed in the Office of the Registrar.

b. Students withdrawing from the University will be credited for all fees charged to them except the matriculation fee and room and board in accordance with the following schedule:

Period from Date Instruction Begins	*Percentage Refundable*
September 16 through September 27	80%
September 30 through October 4	60%
October 7 through October 11	40%
October 14 through October 18	20%
After October 18	0%

The Matriculation Fee is not refundable in any instance.

c. No part of the charges for room and board is refundable except where the student officially withdraws from the University or where he is given permission by the appropriate officials of the University to move from the residence halls and/or to discontinue dining hall privileges. In these cases, the refund will be computed by deducting ten percent of the charge for the semester as a service charge and the remainder will be pro rated on a weekly basis. No room and/or board refunds will be made after the fourteenth week of the semester. ID Cards with dining hall validation issued to boarding students must be surrendered at the Auditor's Office in the Administration Building on the day of withdrawal before any refund will be processed.

d. In computing refunds to students who have received the benefit of scholarship, the computation will be made in such a way as to return the maximum amount to the scholarship account without loss to the University.

e. For full-time undergraduate students, no refunds of Fixed Charges, Tuition, Laboratory Fees, etc., are allowed when courses are dropped, unless the student withdraws completely from the University for the current semester.

f. Graduate student and part-time undergraduate students enrolled in the regular academic semesters will be given an 80% refund of credit hour fees and applicable laboratory fees for classes dropped after the close of the official registration period but before the end of the first week of classes.
